Rewards Breakfast

To aspire, endeavour and thrive together

On Tuesday 21st March, students from Year 7-10 were invited to the library to enjoy a reward breakfast with Mrs Ellyard, Mrs Bowden and Miss Osbaldiston. These students have read and reviewed three books! Their participation in “For the Love of Books” needed to be celebrated and so they enjoyed a peaceful reading session with hot chocolate, tea cakes, a crackling fire and a good book. They also have a personalised bookmark to mark their efforts. Next step – 6 reviews and one of our special reading badges! Keep up the hard work everyone.

Poppins Play Is Practically Perfect

Most people will have seen, or at least heard of, the Disney classic film 'Mary Poppins' which is Glossopdale schools' latest production. It has been yet another huge success, with evenings fully booked and praise from all around. But, what exactly does it take to make an outstanding show? And what is it like to be part of the cast?

With auditions starting as early as January, crafting the show was no small feat. Rehearsals were a weekly commitment, lasting up to three hours. With song practise, line learning, later prop building, and finally mic checks. With the shows starting in March, there was little time to waste; Costumes had to be fitted, and a backstage crew was organised to keep everything in check because, although it may not seem like it to the audience, behind the scenes there is a constant bustle of activity; from ensemble rushing for costume changes to characters waiting in the wings, the space behind the curtain is never empty. But the most amazing part is that all of this backstage action takes place in almost complete silence, unseen and unheard by the audience.

Unlike the rush in the wings, onstage there is a different story being told; an extremely scripted story, the lines have been committed to the memories of various characters over many rehearsals. We talked to several of these 'characters' to get their experiences from being in some of the main roles:

'I've definitely grown in confidence and in character since I started acting' shared Erin Bryson, who played the leading role of Mary Poppins, raising her voice over the excited hubbub of intermission. When asked what inspired her to start acting, she replied; 'I find the performance aspect really interesting; it's fun and gives you a lot of adrenaline.' – A similar answer to another of our interviewees, Rhys White (Michael Banks), who responded, 'My drama lessons are very fun and I decided I would like to try for it (the role).' He also added that he was encouraged into auditioning by his friends and when asked about how he found the audiences whilst performing, he said that the final audience was the most enthusiastic, but that no matter which audience he performed to, he never felt any more nervous. One thing that our interviewees agreed on was that they are all looking forward to participating in future shows.

So, although creating the show was time-consuming and involved masses of hard work and patience, it was all worth it in the end and turned out to be a very valuable experience for the whole cast.

MH2K

Giving Mental Health a Voice

On Friday 24 March in the afternoon, we were delighted to take part in Derbyshire's MH2K programme with Bhavin leading and Arjan and Mujbaba from Leaders Unlocked. 30 of our students from year groups 7 - 11 took part and shared their views and wishes concerning Mental Health provision for young people in Derbyshire. Our visitors commented how open and enthusiastic our students were in discussing this important subject and how their ideas could affect future policies.

Key Stage 3 Rewards – Bury Gaming Arcade

Well done to each and every one of the 450 students who earned their place on our reward trip to the original Arcade Club – where there were four floors of arcade machines, pinball, games consoles and other exciting gaming attractions.

There were more than 300 classic and modern games with something for everyone.

Students battled each other (and some of the staff!) on classic games like Pac Man and some even took to the Dance Revolution too!

It was a great day, enjoyed by all and conduct was, of course, impeccable.

Auschwitz Trip

Happy Easter

Two of our Year 12 History A Level students, Erin and Joe, were selected to attend the poignant and thought-provoking trip to Auschwitz in March. The guided tour provided a deeper insight into the Holocaust and WWII and included talks, presentations and workshops. This truly was a privileged and moving experience for both students who will sharing their experience with the rest of the school during assemblies over the coming months.

Mary Poppins

Our annual Performing Arts production this year is the much loved, highly regarded Mary Poppins! Our talented Performing Arts 6th form students have starring roles in the show as well as helping backstage and supporting our younger students.

Well done to Freya, Ollie, Erin and Amber for a great performance!

Community Theatre Performance

As part of their Performing Arts Community Theatre performance, our 6th formers visited St Charles Primary School and Hadfield Infants School to showcase their work. This project will be used as their formal assessment for their Btec course.

6th Form Taster Day - Year 10

Year 10 were invited to attend a Sixth Form Taster Day this term, during their Careers Week. Students were given an insight into life as a 6th former and completed a series of fun challenges using some of the skills essential to succeed in their Sixth Form studies. Teamwork, problem-solving, critical thinking and time management were all utilised during the day.

It was also a great opportunity to discuss what our Sixth Form has to offer and answer any questions the students had.

Students particularly enjoyed our Spaghetti Tower and Silent Debate challenges!

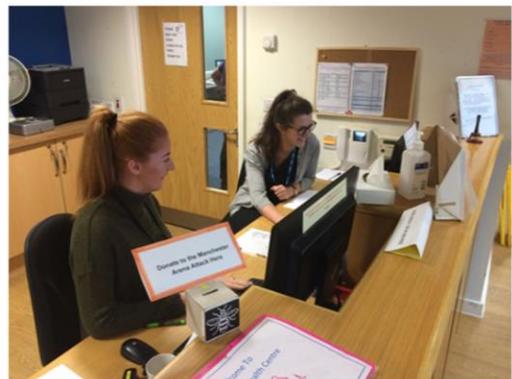

Work Experience

Our Sixth Formers are busy preparing for their work experience in July. Students have been preparing CVs and applications have been submitted/accepted so far to work in a range of industries including Veterinary Surgery, Engineering, Teaching, Policing, Media, Photography and Accounting. Good luck to all of our Year 12s with their applications and we look forward to completing yet another successful year of work placements!

Duke of Edinburgh- Silver

Well done to our Year 10 and Year 11 students who have completed their Silver DofE expeditions this term. During the training weekend, they refined their team work and navigation skills in the Hope Valley. The weather although mostly dry was very cold and the teams had to work together to make sure everyone had the chance to practice and prepare for the qualifying expedition.

The qualifying expedition took place this week and students had to navigate from Hayfield to Edale, then onto Calver for day 2. Day 3 routes took them to Bakewell via Chatsworth House. Not wanting to waste an opportunity to revise the Year 11 team selected a team project that complimented their GCSE Geography revision. They spent their time looking at the impact of human behaviour on the physical landscape, while the year 10 teams had the challenge of creating amazing landscape photographs or capturing native Peak District species such as the Curlew and Lapwing. We're looking forward to their Expedition Presentations which will take place next term.

FREE HOLIDAY ACTIVITIES WITH FOOD

Did you know that as well as free school meals during term time, you are also entitled to access FREE holiday clubs during spring, summer and winter holidays?

It's About Me is a FREE Holiday Activity and Food Programme funded by the Department for Education, designed for children and young people across Derbyshire to have healthy, active, fun-filled school holidays.

It's About Me believe that everyone deserves a good break and that school holidays are better when children and young people are active, having fun, being entertained and learning new things.

If your child is aged between 4-16 and is eligible for benefits-related free school meals, then they are entitled to access the It's About Me holiday clubs for free! There are a huge range of activities available including sports and games, arts and crafts, cookery, dance and music. Programmes vary depending on the type and location of each local club and each holiday club will give your child a nutritious meal too!

We hope you will take advantage of these fantastic FREE holiday clubs across Derbyshire so your child/children can have a fun-filled and safe holiday!

HOW TO BOOK

To book your activities and to find out more information go to:

www.itsaboutmederbyshire.co.uk
or speak to your school office.

The spring holiday clubs will take place from:

Monday 3rd April - Friday 14th April

SPRING IS HERE!

There's a buzz in the air – warm temperatures and the long sunny days of summer are coming – but for some we need to get exams done first. Whatever your children are studying for this term, we'll help them be prepared with our new fresh and tasty menu.

Pop-ups coming this term ▶

WHAT'S NEW

We're hearing loud and clear that pupils want to grab a pot of flavourful food and go. With this in mind, and preparing for another hot summer, we've created incredibly tasty dishes such as Roasted Rainbow Veg and Chicken Tikka Naan bowls, as well as tastebud tantalising cold options too.

WHY ARE THESE GOOD CHOICES?

The stresses and demands on teenage brains are high, so eating regularly is important to fuel the mind and body.

We've got a menu full of tasty, healthy options that are great for studying and staying focused. Choose from our Chinese Vegetable Noodles or Veggie Dog – both have plenty of fibre to help in keeping students energised and feeling great throughout the day.
