

To Aspire, Endeavour and Thrive Together

Dear Parent/Carer

Thank you for your understanding and support in the need to send your child home for self-isolation. While we have robust arrangements in place to minimise the spread of Covid-19 in school, it is also essential that we keep your child and the rest of our community safe.

While they are at home, they should follow their learning remotely. All class teachers will upload classwork onto Google Classroom. Where possible, live lessons will be delivered using Google Meet. Login details will be posted by the teacher on each of their classes. Students should try and follow their usual timetable. Tutor sessions will be live therefore all students should log on by 8.45am each morning.

We know that Google Classroom is new to most students and parents in Year 7. Here is a reminder of how to log on and navigate the platform - this is useful for both students and parents:

<https://drive.google.com/file/d/1jOH3r6ttpu24dNCo0cVJdm-9ZmR4sgFl/view>

We also have a range of advice and guidance on our website in working remotely. We have sections on study skills, mental health, online safety and a list of resources for supporting their learning at home. Please see below:

Parents:

<https://www.glossopdale.derbyshire.sch.uk/Support-for-remote-learning/>

Students:

<https://www.glossopdale.derbyshire.sch.uk/Working-Remotely/>

If you have any questions about the work, your child can send a message to their teacher on Google Classroom. We will reply as soon as possible. Please bear in mind that class teachers at school are still teaching a full timetable and therefore not available to reply immediately.

We have attached the students' and parents' guide to live lessons; please take the time to read these and ensure that your child follows our protocols when attending lessons online.

If you have any general questions about the remote learning arrangements or the work, please can you email Mr. Kettle, Y9 Progress Leader on skettle@glossopdale.school.

We look forward to seeing your child back in school on Monday 28th June.

Kind regards,

The Year 9 team
