

Dear Parents and Carers,

As you may be aware, we have asked all of our students to complete an online questionnaire about their experiences during lockdown, their learning and progress and their health and wellbeing. We will be using this valuable student voice to plan our learning interventions, including if we experience further remote learning situations and our wider student support strategies. We would very much appreciate your parental contribution to this process and therefore invite you to complete an online questionnaire reflecting on these areas for your child.

Please complete the online [form](#) here or you can access the form via the Parents' section of our website www.glossopdale.school/Parents/Helping-your-Child-with-Learning

In order for us to use this information in a timely way and to support your child specifically, it would be greatly appreciated if you could complete the questionnaire as soon as possible and by the 9th of October at the latest.

Thank you in anticipation of your support with this initiative.

Yours sincerely,

Mrs Samantha Kane
Director of Student Progress
