

# To Aspire, Endeavour and Thrive Together

March 2021

## Year 9 options update

Dear Parent/Carer

Thank you for your continued support throughout these difficult times. This letter is an update on the options process. Below is a calendar of events which is now part of the updated options book.

We have held the virtual options evening and parents have had the opportunity to speak with teachers about their choices. Students have also taken part in the careers fair which was very successful.

The year 9 personal development programme will give students a further chance to consider future pathways. There will also be an opportunity for an interview with our careers advisor or a member of the year team.

We will hold the taster sessions on the 23<sup>rd</sup> of April. Students will be able to choose three options to discover what a lesson in each subject would be like. The options forms will be completed online the week after this and final subjects will be confirmed by the middle of May. All the forms are on their [Google Classroom](#).

Please do not hesitate to contact Mr Kettle, Mr Lownes or Mr Clark at any time if you would like further advice.

Yours sincerely

Mr P Clark

Deputy Headteacher
